BEST PRACTICE - I

1. Title of the practice:

Nambikaiyin Vizhuthukal Organization

2. Objectives of the Practice

Higher Education is possible to the economically lower-class students.

3. The Context

Being economically lower-class students are not easy to go for the higher education Sivagangai and Ramanad district. They choose the way to earn money by getting odd jobs to lead and fulfill their needs and family's needs. If they want to move for higher education, they need others help. To help these kinds of students our college has initiated Nambikkai Vizhuthukal Organization.

4. The Practice

- ❖ This organization is made for economically weaker students.
- ❖ Every year 20% money will be taken from the total capital for the educational scholarship.
- ❖ All departmental student coordinators are members of this organization and will select the student beneficiary.
- ❖ Student beneficiary will be selected on the basis majority members' opinion. There will not any interruption of the college management.
- ❖ Department student coordinators have a right to select a staff member as a adviser, if they need.
- ❖ To strengthen the organization, members and adviser may organize meeting in the college campus every month.
- ❖ With the knowledge of the college management, Organization will conduct any event (ex. Debate, awareness programs, etc) for rising funds.
- ❖ Members can elect the Chairman, Vice- Chairman, Secretary, Joint Secretary and Treasurer among themselves.
- ❖ The college management has rights to interfere in the organization, if any problem comes among the members.

5. Evidence of Success

- ❖ Many students have got funds from this organization.
- ❖ Ten students from MSW, B.Sc Physics, BCA, Computer Science, M.Com CA and BBA have been benefited.
- ❖ College tuition fees and hostel mess fees have been paid for selected students
- ❖ So far thirty-six thousand found has been released for the students growth.

6. Problems Encountered and Resources Required

- ❖ The practice requires more financial assistants.
- ❖ Inflow of funds for book and newspaper publication is limited.
- ❖ Conducting functions often and rising funds is also a difficult task.
